Things To Think About

Lent began this week on Ash Wednesday and our theme for this year is...

“Lent ~ A Path to Wholeness”

Throughout our lives, we follow many paths. Lent is a time to listen to that questioning voice – to look at the paths we are travelling and ask ourselves if we are really going the right way.

If I continue on this path, will it bring me to where God wants me to be? Let us take the road less traveled this Lent and pause, talk to God more frequently and include God in our discernments. God loves us just as we are, but God’s dream for us is wholeness.

Forty days of Lent may not be an easy journey, the path to wholeness never is. But it is a growing edge for all of us and our God will be with us every step of the way.

We hope you take the time to enjoy the Catholic Update – “Lent, Day by Day ~ Lessons of the Heart” that should be in your student’s Friday Folder.
