

Li'l Sprouts Garden CLUB

Seeking Gardening Students

Attention Saint Patrick's parents, Li'l Sprouts are back! In mid-March, our After Care program will be offering a children's vegetable garden club every Thursday from 3:15 to 4:30PM. This hands-on club will allow your children to explore the wonders of learning about where vegetables come from, how to plant them from seeds and small plants and how composting benefits the planet. Each week our Li'l Sprouts will meet to plan, plant and tend their garden. When the vegetables are mature, they will be donated to a local charitable community organization for distribution to the needy. The program will start in March when it's time to plant our spring garden and run through the end of the school year. If your child is interested in joining our Li'l Sprouts, please return the attached form to the front office by Friday, 6 March. There is no additional fee if your child is enrolled in After Care on Thursdays. For all other enrollees, the next tuition statement will reflect a \$30 charge. This Club is being offered to 1st-4th grades. Space is limited to 12 students, so don't delay.
