

Summer 2010

Dear Parents,

Attached you will find 11 pages of words. This is a first grade word-wall list. All of the kindergarten words should be included. If you are interested in getting a jump on the first grade sight words, cut the words apart (glue to index cards if you like) and add them to your child's existing word bank. You and your child can practice spelling, reading, writing, and using these new words over the summer.

Enjoy!
